

FOCUS ON A GROUP HOLDING

Have you looked at: **OUR LIBRARY CATALOGUE?**

Our library catalogue can be viewed on this website at <https://scgenealogy.nz/resources/r-one/>. Borrowing is for members only. Topics include: Australia, Biographical, Canterbury District, Cemetery Records, Computer References, South Canterbury District Histories, DVD Resources, England & Wales, Family Histories, General Information on Genealogy, Ireland, Maps, Microfiche Handbooks, Miscellaneous Records (South Canterbury & Others NZ), New Zealand Electoral Rolls, New Zealand General, Otago Southland District, Parish Records, Research Directories, Scotland, Shipping Records, South Canterbury School Magazines.

The library is a much under-utilised treasure. Every month our librarian Theresa will feature a book or group of books she thinks might be of interest. These books can be viewed at the library on Sundays or borrowed if they are not “reference only”.
